## WARRANTY

### WARRANTY INFORMATION

The following warranty conditions apply to Mannington's Walkway flooring when installed in commercial applications in accordance with the Mannington Professional Installation Handbook or current instructions provided on Mannington's website at [www.mannington.com](http://www.mannington.com).

### LIMITED 10-YEAR LIGHT COMMERCIAL WARRANTY ON MANNINGTON LUXURY VINYL TILE AND PLANK FLOORING

Mannington warrants from the date of original installation, that for ten (10) years of light commercial use, Walkway will be free of manufacturing defects.

A plank that does not perform as stated will be repaired to conform with this warranty. If repair is not commercially practicable, Mannington will replace the plank with the same style product, if it is still available, or with a comparable product from the current running line. Replacement planks and/or tiles will be provided at no charge to the end user. If the floor was installed by a professional flooring contractor hired by you, Mannington will also cover reasonable labor costs for installation of replacement planks and/or tiles.

### WALKWAY PRE-INSTALLATION WARRANTY

We will guarantee your satisfaction with each Walkway plank and/or tile. Should any Walkway plank and/or tile not meet your satisfaction because of a visual defect, simply return it to your Mannington flooring contractor, PRIOR TO INSTALLATION, for replacement.

### WARRANTY CONDITIONS

This warranty does not cover defects or damage to Walkway planks and/or tiles caused by (i) installation or maintenance that does not comply strictly with the instructions set forth in the Mannington Professional Installation Handbook, and Care and Maintenance Instructions, (ii) abuse (e.g. abrasives like steel wool to scour the floor, sliding heavy objects across the floor without proper protection), or (iii) severe accidents (e.g. fire, burns).

This warranty applies only to the original purchaser and installation site(s) and is not transferable.

This warranty is valid for light commercial installations.

Any area that receives replacement plank(s) and/or tile(s) must be cleared, at the consumer's expense, of any equipment, furnishings, partitions, etc., that have been installed or put into place over the plank(s) and/or tile(s) subsequent to the original installation.

This warranty does not cover plank(s) and/or tile(s) installed with obvious visual defects.

#### IMPLIED WARRANTIES

There are no implied warranties, including merchantability and fitness for a particular purpose, extending beyond the terms of this written warranty.

NOTE: Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty is in lieu of all other express warranties and gives you specific legal rights and you may also have other rights which vary from state to state or province to province in Canada.

#### WARRANTY CLAIMS

IF THERE IS A MANUFACTURING DEFECT, YOU MUST IMMEDIATELY PROVIDE WRITTEN NOTICE OF SUCH DEFECT, TOGETHER WITH PROOF OF PURCHASE TO THE FLOORING CONTRACTOR FROM WHOM THE FLOOR WAS PURCHASED. THIS NOTICE MUST BE RECEIVED BY THE FLOORING CONTRACTOR WITHIN THE WARRANTY PERIOD FROM THE DATE OF PURCHASE. The flooring contractor will notify Mannington's distributor who will arrange inspection of the floor or to review the complaint with the dealer. Should this inspection or review indicate an obligation on the part of Mannington, such obligation will be satisfied through your flooring contractor.
