For Warranty Service:

To make a claim, you may:

1. Contact your Tarkett dealer no later than 30 days after the discovery of the defect. Your dealer will arrange for proper inspection and coordinate resolution of your claim.
2. Contract a certified independent inspector (www.NICFI.org). The inspector will submit a copy of the inspection report directly to Tarkett for consideration. Should a warranty claim be approved by Tarkett, you will be reimbursed for the inspection services up to \$150. Note that while independent inspections are credible and usually reliable, the final decision rests solely with Tarkett. Only NICFI inspectors or other certified inspectors approved in writing, in advance by Tarkett will be considered.
